## Get Your Ducks In A Row! A 5-part Series For The Basics Of Adopting And Managing Information Technology

Companies are becoming more competitive by adopting information technologies. Yet more than 50% of IT projects fall short of expectations. How can your organization ensure the success of its next IT under-taking? Information technology is a product of science, but using IT effectively to increase efficiency, productivity and, profitability is truly an art.

This five-part series will give participants insights into trends and traps facing companies today, and best practice tips, tools, and techniques used to help IT implementations in small to mid-sized businesses.

**Part 1 – To Be or Not To Be... Technology Driven**

**Part 2 – Doing IT Right!**

**Part 3 – Choosing Tech That Fits**

**Part 4 – Driving Innovation!**

**Part 5 – No Haystacks. No Needles, Either**

"Now that we are accustom to our lifestyle, let's enjoy what's possible. Connect with friends, co-workers and loved ones as they may need your extended hand to lift them up and keep their spirits high. Get outdoors to enjoy nature and the fresh air, exercise and balance your mind all at the same time! Let's enjoy this spring and summer in a safe manner as we all deserve a break from the new norm. "

## Personal Pension Plan

You are in the business of serving others. Let your business service you, your retirement, and your family with a twist. RSP's are fine if that is your only option but for incorporated business owner's – it is not. This short video presentation outlines why you would want to consider a Personal Pension Plan. And it will help you understand why Beacon Insurance works with integris Pension Management to offer the PPP.

## United Rentals ~ Are you looking for GOOD used Equipment?

We sell only top quality new and used equipment from manufacturers you can rely on for great products. However, even the best equipment may need unforeseen servicing or a part replacement. We created United Guard™ because we stand behind the products we sell.

With United Guard™, you can protect your investment and ensure your operations always run smoothly. The program covers the components of applicable\* used equipment purchased from United Rentals. Product lists are available on a monthly basis.
