### Meet the MCAH Competition Team!

From October 15<sup>th</sup> 2016 to December 14<sup>th</sup> 2016, the MCAH McMaster University MCAA Student Competition Team worked diligently to submit a bid for the Chippewa Falls Wastewater Treatment Facility Upgrade. The team (pictured left) had their work cut out for them.

*"Alberici views the Student Chapter of the MCAH as a great way to develop a strong link between McMaster's mechanical and civil engineering programs and the contractor community. Among the students, this program helps build awareness and interest in the construction aspect of engineering, and promotes the construction field as a rich and rewarding career path. For the contractor's part, this program provides an opportunity to help improve the quality and initial experience level of new engineer candidates."*

# "THE BEST LEARNING EXPERIENCE" Hamilton Hosts 2017 Canadian Student Chapter Summit

Southern Ontario Mechanical engineering students met with contractors and faculty for two days in Hamilton, to learn more about the industry. The planning committee would like to extend a huge thank you to **UA Local 67** and **Aecon** for allowing students to have hands-on experiences in their training centre and prefabrication sites. This program was fully sponsored by **Construction Education Council, MCA Canada, MCA Ontario, MCA Hamilton, MCA Toronto, MCA Kitchener-Waterloo, Victaulic and Aecon Industrial**.
